

We provide training in Confined Space Entry, Safe Work at Heights, Gas Detection & Breathing Apparatus  
We do confined space risk assessments • Confined space audits • Confined space standby staff • Safety equipment sales

## Course Attendance Letter

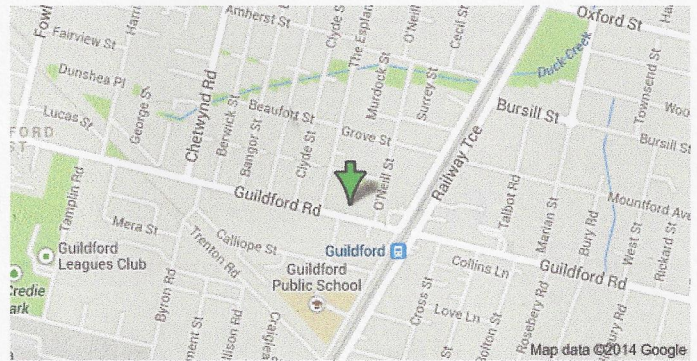

Please ensure you have completed an online booking. A detailed "Candidate Handbook" is available to download from our website.

### Attendance

Students to receive accreditation need to participate in the entire course; non participation or partial attendance by any student will result in non-accreditation. Ability to read, write and clearly understand English is a pre requisite due to the high risk nature of the training.

### Course Location

Sydney Safety Training Centre  
395 Guildford Road, GUILDFORD WEST  
(on the western side of the railway line)  
opposite Kane Street.

### Parking

Please park in rear of training centre or in the car park next door as indicated.

### Timings

Please arrive at 8:15am as the course commences at 8:30am and finishes at 4pm.

### Dress

Long trousers, enclosed shoes or steel caps and shirt. **NO THONGS or SANDALS.**

### Meals

All meals are local purchase. We have coffee, tea and biscuits onsite, as well as a micro wave oven and fridge.
