

We provide training in Confined Space Entry, Safe Work at Heights, Gas Detection & Breathing Apparatus  
We do confined space risk assessments • Confined space audits • Confined space standby staff • Safety equipment sales

## Confined Space AWARENESS Course

This program is designed for Managers and Supervisors of employees and contractors who work in confined spaces. **People attending this course are not qualified to enter or work in a confined space.** They simply understand their WH&S obligations when they have employees and contractors entering confined spaces.

### TRAINING

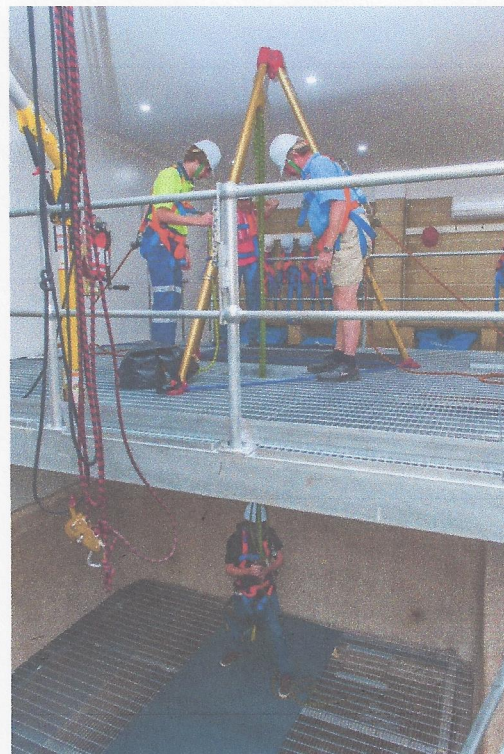

- Confined Space Legislation, Workplace Hazards & Safe Work Procedures
- What is a confined space
- Confined Space Risk Assessment & Entry Permits
- Typical Confined Space Control Measures

Participants are supplied the following learning materials for the program:

- Confined Space Awareness Notes
- Risk Assessment, JSA & Entry Permit Blanks

### ACCREDITATION

As this is an AWARENESS programme, a STATEMENT OF ATTENDANCE is issued.

**THIS TRAINING DOES NOT QUALIFY YOU TO WORK IN A  
CONFINED SPACE**
