## WHS for Managers & Supervisors

## Demonstrate leadership in the workplace

## WHS for Managers and Supervisors:

- Provide individuals with skills to:
  - ✓ Interpret, understand, and apply WHS legislation within to the workplace;
  - ✓ Acknowledge their roles and responsibilities in relation to workplace health and safety;
  - ✓ Understand and apply risk management practices;
  - ✓ Be hands-on and engage in workplace consultation, with all staff and stake holders;
  - ✓ Consider the practices and methods for incident, injury and illness prevention;
  - ✓ Provide WHS information, instruction, training, support and supervision to all stake holders.

## Demonstrate Leadership in the Workplace

- Provide individuals with skills to:
  - ✓ Understand Safety Leadership and how it is connected to business performance.
  - ✓ Recognize the key role that Leaders play every day to improve WHS outcomes.
  - ✓ Acknowledge the importance of supporting and promoting safety culture.
  - ✓ Embrace the levels of leadership and how leadership drives the behaviours of all work colleagues, and that success is limited by the level of leadership
